

Bone-In Chicken Parts

Serve Comfort Classics With Our Bone-In Chicken

Since 1951, when we invented foodservice's first fully cooked frozen fried chicken, Pierce Chicken® has delivered the bone-in products customers crave. Today, you can count on us for a versatile line-up with multiple prep options.

Our IQF line offers a convenient and safer alternative to fresh chicken. Our pre-breaded products ensure the taste and crunch your customers will love. Whether you just want a little head start in the kitchen or you need fried chicken on the plate in less than 10 minutes, we have the products for you.

Why Pierce Chicken® Bone-In Parts?

Bone-In Favorites

- Reduced labor and prep, many in less than 10 minutes
- Consistent flavor, texture, size and appearance
- Marinated to provide juicy, tender chicken that holds longer
- Reduced risk of cross contamination or undercooking
- Fryer, oven, grill, broiler and microwave prep options
- Variety of packs and cuts

IQF Is Better Than Fresh!

- IQF delivers superior food safety and ensures maximum freshness and flavor
- 12-month shelf life, eliminates spoilage and increases inventory versatility
- Power-blade cut, trimmed and hand-styled for a consistent and attractive appearance
- Double-sized (weighed twice) to ensure uniform sizing for improved portion control
- Color-coded bags provide quick and easy product identification
- Cost effective compared to fresh chicken: no labor for messy cleanup; no trim waste, shrinkage, weepage or spoilage; improved inventory management

Our Pledge to the Highest Standards in Food Safety

When it comes to protecting your operation and customers, we simply won't compromise our food safety standards.

Pierce Chicken maintains an intensive, HACCP-based quality assurance program. On-site USDA inspectors and a state-of-the-art tracking system enable us to trace the origin of every case we ship.
